“genecide”

I see two jewanon accounts reciting talking points that literally nobody is fucking buying anymore… from a buncha crooks who’ve overstayed their welcome in our country by several decades already.

PS: I love the Hasbara deflection to Nigeria, when we have our own Jew problems here.

I’m seeing many comments by Christians who stand strong against Tucker turning against them.

Tucker’s taking shots at “Christian Zionists” while name-dropping Bush, Bolton, and Rove? Please. That’s not theology, that’s lazy deflection. I’m a Christian Zionist because I actually read the Bible, not because Karl Rove told me to.
Supporting Israel doesn’t make you a neocon, it makes you someone who recognizes who our allies are in a world full of jihadists and Marxists. Funny how the loudest critics of Christian Zionism always seem to side with the people who hate both Christians and America.

Fascinating that Tucker has no time to discuss the real and evil genecide of Christians in Nigeria

I'm sorry Nigerian Christians, but Qatar doesn't pay Tucker to talk about you.
Your genocide is irrelevant to him.
Your murderers aren't "Zionists," so he doesn't care.

It’s both, tbh. They vastly overestimate their own intelligence while grossly underestimating the intelligence of the average normie who’s sick of their bullshit.

Totally not a coordinated attack….

Lmao — They're either so stupid, they think we are stupid or they just don't care and aren't even trying to hide it.

Dear @MrsErikaKirk

@TuckerCarlson is continuing to disrespect the memory of your late husband, has now platformed notorious Nazi wanna be @NickJFuentes, and is destroying the legacy you and @charliekirk11c created.

Please stop this madness.

It's been a little more than a month after he spoke at Charlie's funeral, and here he is talking with one of America's most prominent and noxious antisemites about how much he despises Christian Zionists

Tucker should be ashamed, this is a total betrayal

I watched the interview; it wasn't interesting or provocative. It's not smart and it's disgusting to elevate this person or behave as if his views are worthy of consideration. They are not.

Insurrection Barbie @Defiyan... · 15h
This is not the conservative movement Charlie Kirk died fighting for.

I am not embracing this. I am not unifying with this. I am not accepting this.

Movements don't die when their enemies attack them. They die when they sell their soul.

This feels like one of those Show more

Wasn't aware that Tucker despises me. I do get that a lot from people not familiar with the Bible or history. Somehow I will survive the animosity.

Tucker is literally calling Charlie a Heretic whom he despised who also had a mind virus...

Charlie Kirk was a Christian Zionist.

This is disgusting. Not to mention he is saying this while interviewing Nick Fuentes a clear Trump hater and antisemite
